I know and raised the concerns to Susan. She still wants to send them a revised version.

Per our discussion yesterday, attached are edits from OFA and OW on: Rosemont: trends, weight of evidence, and ecological risk.

Thank you, Aimee

Thanks for facilitating the call. I think it went well. Attached is the email from Rob to Mr. Upchurch on 10/25/13 (put into a word document for ease of sharing and formatting) that Jeff promised to send them after the call. Can you please email it to everyone on the call? Thanks. Angeles

Angeles,

Here is the list of attendees that indicates who accepted the meeting this afternoon.

Also note that Ellen Athas, who as of today is an EPA employee in the NEPA Compliance Division, will join me for the call. Ellen was formerly Senior Counsel at CEQ, and now she will work in our office. We will be sending out an email to all the Regions announcing Ellen's new position soon.

Thanks, Aimee
